ADDITIONAL INFORMATION

This derived field is created in the Student record (Cyy051). It uses the data in Instance.MODE.

Full-time students include all students studying full-time (for more than or equal to 24 weeks in the academic year).

Part-time includes those studying part-time, during the evenings only, or full-time for less than 24 weeks in the academic year.

From 2013/14, FE students in England must return 99 in Instance.MODE, and are prevented from using other valid entries. Consequently, all such students derive to valid entry 8 'FE students in England' in XMODE01. FE students in other administrations must use other Instance.MODE codes and thus continue to derive to other valid entries in XMODE01 as appropriate.
