TECHNICAL SPECIFICATION

When an Entry Profile is supplied for a continuing student, XEPYEAR01 is populated with the current four digit year, regardless of whether the elements in the Entry Profile have changed (i.e. 2007 for the 2007/08 academic year).

Revision 2.1.2 2014-10-16 (Long name of field changed to refer to 'UHN' rather than 'HIN', with reference made in the Additional information section to what this is. Reference in this section to the 'HIN_EP register' changed to 'Continuity register' to reflect a change in name from 2014/15 onwards.)
