

Field Description	Field Abbreviation	Field Length	Field Type	Field Version
Classification of qualification	XCLASS01	1	Char	1.3.1

VALID ENTRIES

1	First class honours
2	Upper second class honours
3	Lower second class honours
4	Third class honours/Pass
5	Unclassified
6	FE level qualification
A	Classification not applicable

ADDITIONAL INFORMATION

Classification is used to indicate the qualification class that the student obtained. The field is compulsory for students who have achieved an undergraduate degree qualification, and those who have achieved a relevant FE qualification (i.e. where a grade is meaningful) at institutions in England and Wales.

Medical degrees, which are not honours programmes, QualificationsAwarded.CLASS valid entries 10 'Ordinary (to include divisions of ordinary, if any) - degree awarded after following a non-honours course' and 11 'General degree - degree awarded after following a non-honours course/degree that was not available to be classified' are derived to Unclassified in this field. QualificationsAwarded.CLASS valid entries 12 'Distinction', 13 'Merit' and 14 'Pass', available only for students who have achieved integrated taught masters degrees, are also derived to Unclassified.
