ADDITIONAL INFORMATION

UK region unknown has been determined by Fee eligibility (in XDOMGR01) when domicile is not known.

For the purpose of this field code XL includes Guernsey, Jersey and Channel Islands not otherwise specified. Officially, the Crown Dependencies of Guernsey, Jersey and the Isle of Man are not part of the UK or the EU. In HESA analyses they are, however, often grouped as UK domicile.

The Non-UK codes are taken from XDOMGR01 - these codes derived from an overseas lookup table, provided by Data Management, which includes all valid domicile codes except ZZ.
