## ADDITIONAL INFORMATION

Postgraduate courses are those leading to higher degrees, diplomas and certificates (including Postgraduate Certificate in Education (PGCE at level M) and professional qualifications) which usually require a first degree as an entry qualification (i.e. already qualified at level H).

Undergraduate courses are programmes of study at level H, I, J and C including, but not limited to, first degrees (including eligibility to register to practice with a health or social care or veterinary statutory regulatory body/Architects Registration Board), first degrees with Qualified Teacher Status (QTS)/registration with a General Teaching Council (GTC), postgraduate bachelors degrees at level H, enhanced first degrees (including those leading towards obtaining eligibility to register to practice with a health or social care or veterinary statutory regulatory body), first degrees obtained concurrently with a diploma and intercalated first degrees, Professional Graduate Certificate in Education (PGCE at level H), foundation degrees, diplomas in HE with eligibility to register to practice with a health or social care regulatory body, Higher National Diploma (HND), Higher National Certificate (HNC), Diploma of Higher Education (DipHE), Certificate of Higher Education (CertHE), foundation courses at HE level, National qualifications framework levels 4 and 5, post-degree diplomas and certificates at undergraduate level, professional qualifications at undergraduate level and other undergraduate diplomas and certificates including pre- and post-registration health and social care and veterinary courses and courses in Teaching in the Lifelong Learning Sector. Entrants to these programmes of study do not usually require an HE qualification.
