ADDITIONAL INFORMATION

The datasets tables Cyy051_SJ (for the Student record) and Cyy054_SJ (for the AP student record) are the JACS subject by full person equivalent (FPE) tables, that hold the subject data from the appropriate record apportioned using the HESA 'combination splitter' methodology.

XJACS01 holds the base subject fields from the CourseSubject.SBJCA field. XJACSA01 assigns these JACS subjects to one of 19 subject areas.

The valid entry 'Combined' consists of (JACS code Y000) Interdisciplinary programmes of study.

From 2012/13 the underlying JACS subject coding frame adopted the JACS3 subject codes.
